

Classflow Getting Started Guide

Student Edition

I. Signing up/ Logging in

First: Ask your Teacher what kind of Class Roster he or she has setup:

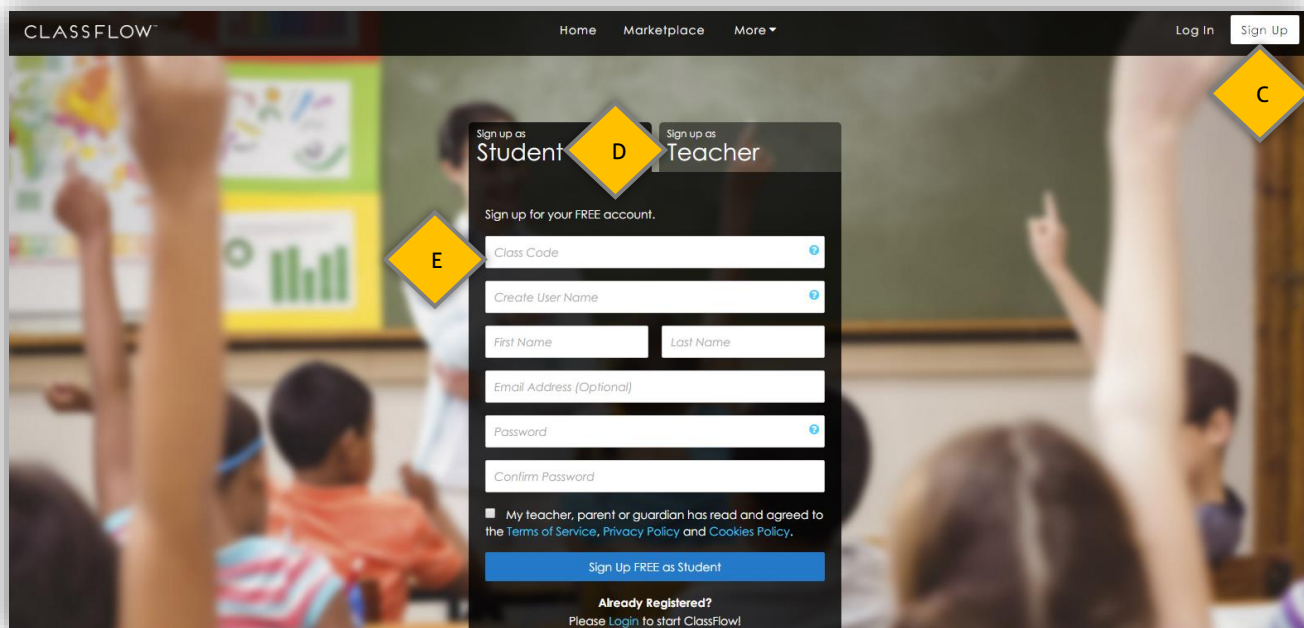

Teacher Generated Roster:

- A. Use a Web Browser to visit classflow.com/student
- B. Join the Lesson using the Class Code
- C. Choose your name from the Roster

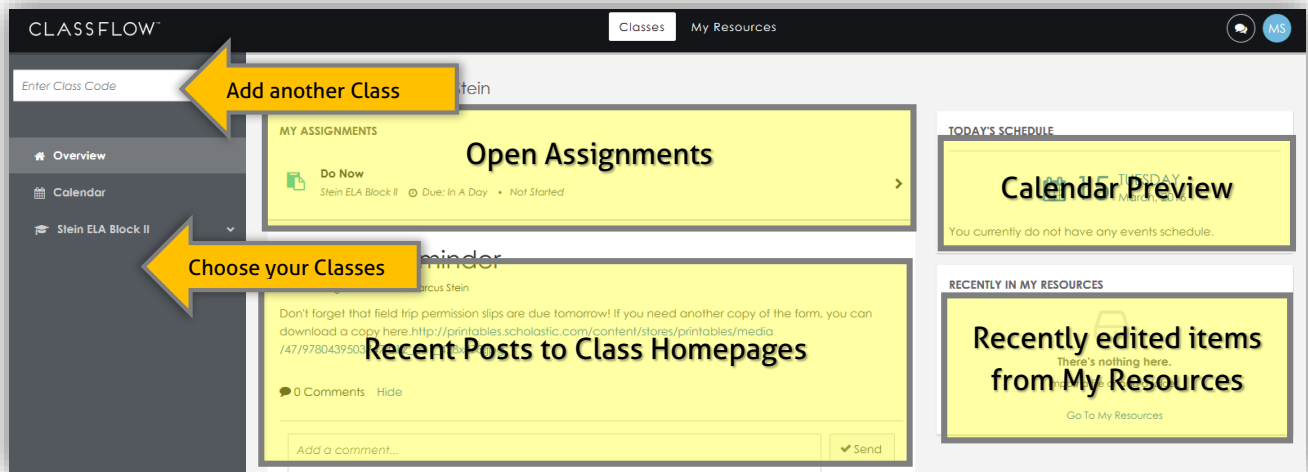

Student Generated Roster

- A. Use a Web Browser to visit classflow.com
- B. If you already have a Classflow Student Account, click "Login" at the top right of the screen.
- C. If you do NOT have a Classflow Student Account, click "Sign Up" at the top right of the screen.
 - Make sure you choose the "Student" tab
 - When signing up for the first time, ask your Teacher for the Class Code and how he or she wants you to create your User Name.

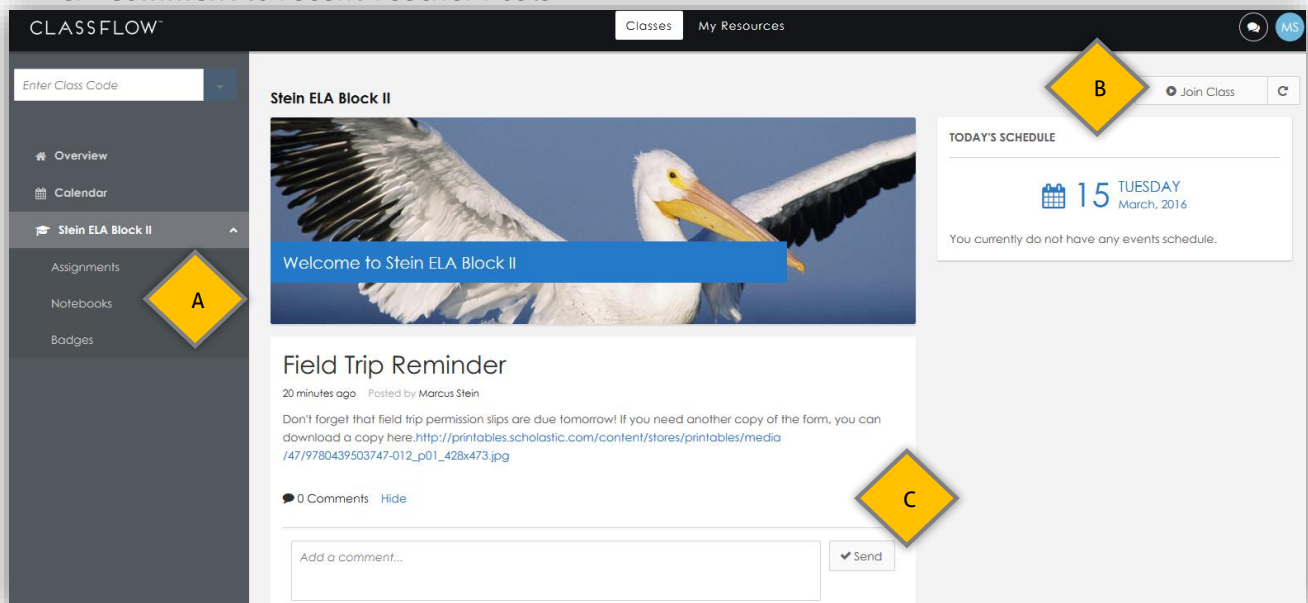

II. Accessing Class Content (Student Generated Rosters ONLY)

Classes Overview Screen

Viewing Class Information

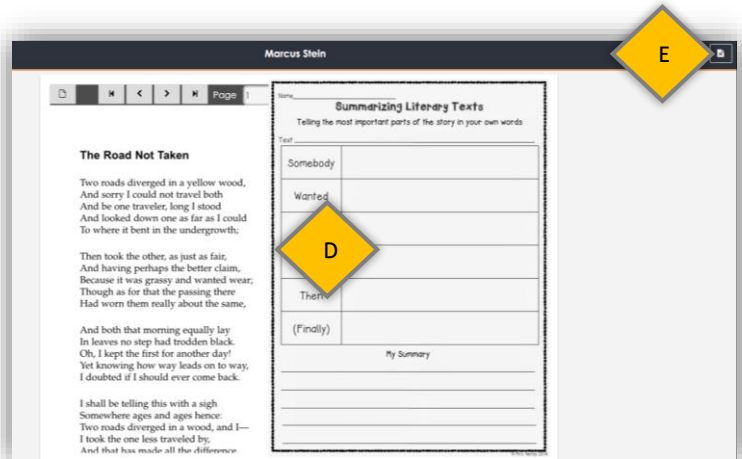

- A. When you're viewing your Classes, click on a Class name and then click the downward arrow to open the dropdown menu
 - a. Click **Assignment** to work on Assignments or check grades from completed Assignments
 - b. Click **Notebooks** to access or create Virtual Notebooks
 - c. Click **Badges** to view the Badges you've received for each Class
- B. If there is a **Live Lesson** being delivered, click the **Join Class** button at the top right corner
- C. **Comment** to recent Teacher Posts

III. Participating in a Live Lesson (Student Generated Rosters ONLY)

Card viewing and Notetaking

- Make sure you are logged in to Classflow
- Click the Classes tab and then choose the Class where the Teacher is delivering a Live Lesson
